

NOTICE

**REFLECTIVE
HOME ADDRESS WILL BE PAINTED ON THE CURBS ALONG
YOUR STREET
YOUR CURB WILL BE INCLUDED ONLY WITH YOUR PERMISSION.**

It is recommended that you take advantage of this opportunity to have your home address professionally painted in large (5 inch) easy to see numbers.

The Police, Fire, Ambulance, Parcel and Delivery Services have recommended this type of address placement. Homes not adequately numbered cause delays, are difficult to find at night, and can hinder emergency assistance. Uniform address placement will provide an organized, protected look and a safer neighborhood.

For your curb to be included, simply leave your name and address at the bottom of this notice and place it on your garage door, or where it is easily visible from the street. Please do this before 9:00 AM tomorrow. The notices will be picked up - Rain or Shine. Please leave this notice out until it is picked up.

Your cost for this service is only \$20.00 and you pay nothing until the work is fully completed. Cash or checks accepted. Make checks payable to Sandra England. The address consists of black numerals on a bright white rectangular background. This type of address has been proven best for day or night viewing.

Please don't be left out. Fill in your name and address and place this notice on your garage or where it can be seen from the street. Tomorrow you'll be glad you did.

Thank You
Sandra England
